Welcome to Sydney! We want to help you to make the most of your time here. Since 2009 we've been helping visitors (and locals) to learn about the history, culture and quirky stories that we think make Sydney the best place to live. We're not paid to promote anything we tell you on the tour, so we'll let you in on Sydney's best kept secrets.

We (Ross and Justine) started I'm Free Tours whilst studying a Masters of Architecture at USYD. We're now joined by passionate Sydneysider guides Aida, Jacinta, Jake, Lachlan, Matt and Pola and we are excited to show you around our home town.

## VISITING MELBOURNE?
